# PROPOSED EXPANSION/RENOVATION

Designed as a mixed-use space, the remodel and expansion of the PebbleCreek Restaurant, Bar & Patio, upon completion, will unite the dining spaces creating an open and energized space for residents and guests alike. The overall theme of the remodel/expansion will be a blend of modern and traditional design elements utilizing warm neutrals as the color palette.

### OUTDOOR PATIO

The outdoor patio area will become a favorite place to meet up for a chat with friends...a space to truly unwind while enjoying the relaxing ambiance.

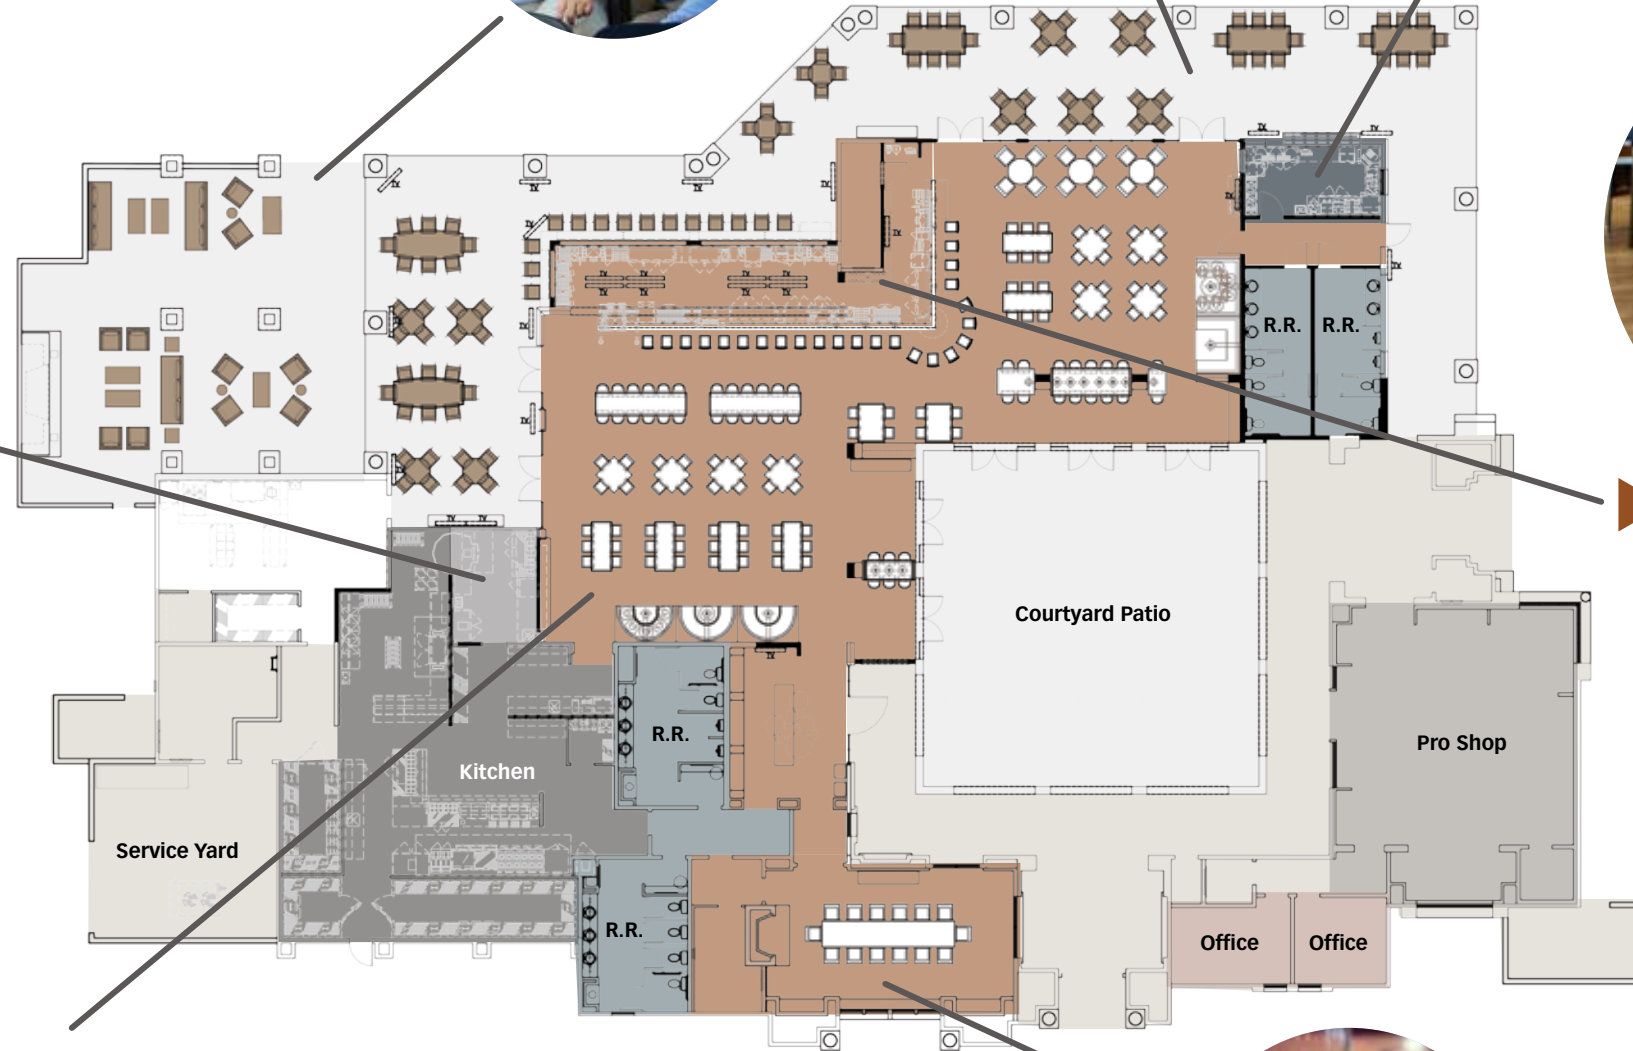

### COFFEE/SNACK BAR

The Coffee/Snack Bar will be open to residents and golfers for early morning service.

### PIZZA STATION

Nothing brings people together quite like good food. The pizza oven in the dining area will provide a quick yet delicious offering.

### INDOOR/ OUTDOOR BAR

The bar area will be the central focus uniting the interior bar and dining with the outdoor bar and patios to the north and the west. Bar seating will be expanded significantly with this renovation.

### INDOOR DINING

Inspired by tavern charm with a casual modern twist, the new indoor dining area will provide a comfortable gathering atmosphere.

### CONCEPT PLAN

Preliminary

This Proposed Concept Plan is subject to change at any time and from time to time without notice. No warranties are given or implied as to when or if any portion of such improvements shown on this Proposed Concept Plan will be built.

### PRIVATE DINING ROOM

The private dining room will be the perfect space to host smaller, more intimate meals or club/organization meetings.
