USGA RULES AND DECISIONS, DESIGNATED LOCAL RULES FROM APPENDIX 1 IN THE USGA RULES,

AND THE FOLLOWING LOCAL RULES GOVERN ALL PLAY.

- All lakes are played as lateral water hazards and are marked with red stakes and/or lines. A ball drop zone is provided on #13 East as an additional option for a ball in the lateral water hazard. A water hazard on #15 East crosses the fairway and is marked with yellow stakes and/or lines. Rule 26.
- Out of bounds is marked by white stakes, retaining walls, curbs of streets, and homeowner property lines typically evidenced by a change in the landscape rock. Any ball that goes into or crosses a street is out of bounds. Rule 27.
- Ground under repair is encircled with white paint. French drains and drainage areas filled with large rocks are played as ground under repair even though not marked. Rule 25.
- Stones in bunkers are deemed to be movable obstructions and Rule 24-1 applies. The rock landscaped area within the cart path at the turnaround near the green on #7 East is deemed to be part of the obstruction and players may take relief without penalty. Rule 24-2.
- The embedded ball rule is in effect anywhere through the green, except in loose sand. See Appendix 1 in the USGA Rules.
- Some young trees are staked for protection. The Local Rule in Appendix 1 in the USGA Rules is in effect.

PEBBLECREEK RULES AND INFORMATION

- Course Rangers have the authority to enforce all PebbleCreek rules. Repeated violations may lead to expulsion.
- Proper golf dress is required. No metal spikes allowed, use soft spikes only.
- Players may not enter homeowner property to retrieve golf balls.
- Carts must remain on the cart path only on all par 3 holes and any other hole designated as cart path only. Golf carts are never allowed in the desert, on homeowner lots, or in any areas marked environmentally sensitive.
- Please fill divots with sand and seed mix, repair ball marks, and rake bunkers.
- All yardages are measured to the middle of the green.
FLAG COLORS: RED=Front, WHITE=Middle, YELLOW=Back

This course uses reclaimed water.
